Project Title:

“Legal Literacy Session for Subanen Youth: Empowering Subanen Leaders through Policy Advocacy and LGU Engagement Workshop”

Implementing Unit:

J.H. Cerilles State College – School of Law, Clinical Legal Education Program (CLEP)

Project Location:

Lakewood, Zamboanga del Sur

Dear Participant:

You are respectfully invited to participate in the above-mentioned extension project of the J.H. Cerilles State College School of Law–Clinical Legal Education Program. The project is designed to provide practical legal literacy, strengthen awareness of Indigenous Peoples' rights and available legal and government services, and promote meaningful community participation and engagement with relevant institutions.

The project was developed in consideration of the findings of a completed qualitative study on the legal needs and access to justice of the Subanen community in Lakewood, which identified gaps in practical legal awareness, access to formal legal assistance, knowledge of procedures and documentation, and institutional accessibility. The study also recognized the continuing importance of customary leadership and dispute-resolution practices within the community.

Purpose of Participation

Your participation will help you:

- gain practical knowledge about relevant legal rights and responsibilities;
- understand available legal and government services;
- learn appropriate ways of seeking legal assistance and referrals;
- understand the relationship between customary and formal justice mechanisms; and
- participate in discussions and activities relevant to community concerns.

Voluntary Participation

Your participation is **VOLUNTARY**. You may decline to participate or withdraw from the activity at any time without penalty or loss of any benefit to which you are otherwise entitled.
